

Lutheran Church of Our Redeemer
Sunday School Registration Form
Christian Education 2020-2021 School Year

For the 2020-2021 year we all are challenged with how to meet safely while still continuing our lives, including Christian education. We are currently planning on remote instruction using the same SparkHouse materials we currently use for Sunday School, with the possibility of some outdoor classes if the weather is nice. Please contact me directly at ian.christianson3@gmail.com with any special concerns or if you desire to explore a fully remote education experience. Thank you!
